Membership Application

The RACC is made up of more than 100 businesses based throughout the region and has been successfully representing local businesses for over four decades.

What can the RACC do for you?

- Provide a forum for ideas exchange and networking between members
- Help in meeting the unique challenges of growing your local customer base
- Alert business owners to any action which may impact local commerce
- Offer opportunities for promotion and advertising to our local audience
- Provide a voice for your business within local government
- Address the concerns which arise for business owners in the Roxbury area

The RACC is committed to enhance the local business climate and improving the local economy through our actions. Start making a difference in your business community!
