

What is it?

Roxbury Township's Adopt-A-Spot program is a community beautification initiative. Whereas the Township encourages adoption of a section (or spot) of an undeveloped street corner or median end-cap in order to beautify its appearance along the Route 46-Route 10 corridor or other designated areas.

Who is Eligible?

Roxbury business owners* and area landscapers may apply to Adopt-A-Spot. If approved, they will be able to install a sign with their business name on it, in their spot—promoting their business while beautifying a part of the Township.

Why Participate?

Gain excellent exposure for your business while making our Township a more beautiful and desirable place to visit and shop in. A press release featuring your business and *Adopted Spot* will be circulated to local news outlets.

Interested?

Apply to participate in the Adopt-A-Spot program by contacting the Township's Planning Department at wissg@roxburynj.org or (973) 448-2008.

**Business owners must contract with a landscape professional to ensure the proper maintenance of their Adopt-A-Spot location.*
